

10 day Quarantine Package

- You will need to take a "Fit-to-Fly" test before you leave your home country, within 72 hours of your flight. After that, when you arrive in the UK, you will need to quarantine for 10 days and take another 2 tests during this period. You need to order the "Travel Test Package" before you come. Find out how [here](#).
- You will be asked to provide an address for the Travel Test Package to be sent to; here you can put the host family or self-catering accommodation address which will provide to you in advance.
- Arrive in your host family / student house on the Thursday (or Wednesday if you prefer), 10 days before your course start date
- Join the online classes for a week from the first Monday of the quarantine period at a 50% discount
- After the 10 days quarantine period, you can come to school on the Monday and join the same class you have been studying with online!
